

ART 70 PRINT EXERCISE

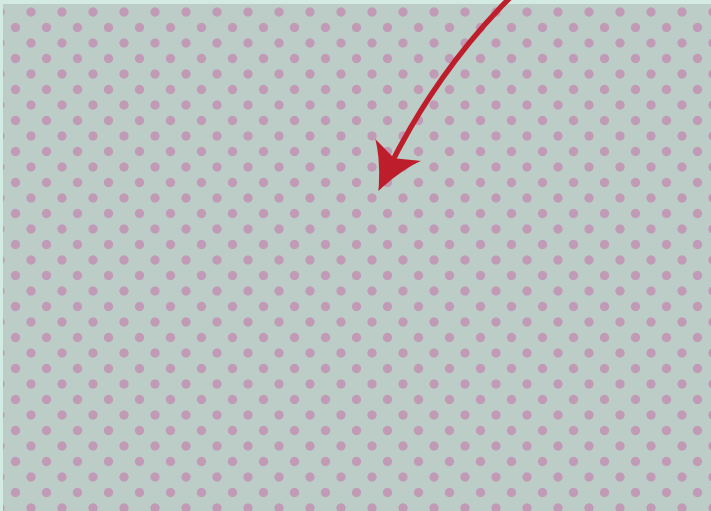

THE OBJECTS OF THIS EXERCISE ARE:

1. LEARN HOW TO USE TRACING PAPER TO TRANSFER AN IMAGE TO A BLOCK
2. LEARN HOW TO AMEND A DESIGN TO FIT A BLOCK
3. UNDERSTAND HOW FAST THE PROCESS CAN BE

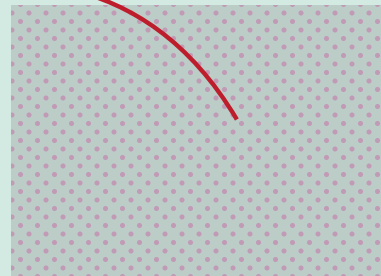

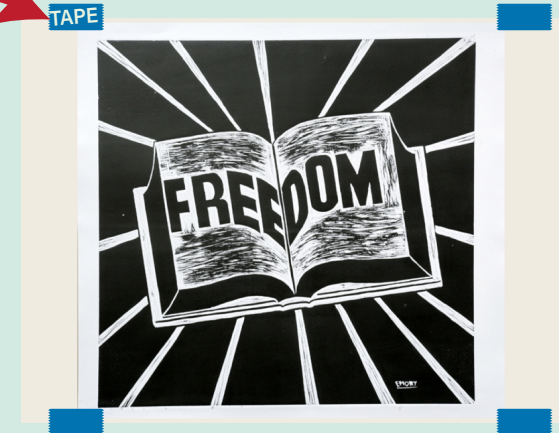

THESE ARE THE MATERIALS DISTRIBUTED:

1. ORIGINAL IMAGE
2. TRACING PAPER (THE PINK DOTS ARE FOR VISUAL RECOGNITION)
3. LINO BLOCK

ART 70 PRINT EXERCISE

YOU WILL FIRST PREPARE THE IMAGE FOR TRANSFER. START BY **TAPING** THE IMAGE TO A TABLE - - YOU DO NOT NEED TO USE TOO MUCH TAPE, JUST TO **SECURE IT FROM MOVING**.

PLACE THE TRACING PAPER OVER THE IMAGE, WITH THE **FOCAL POINT IN THE CENTER** OF THE TRACING PAPER.

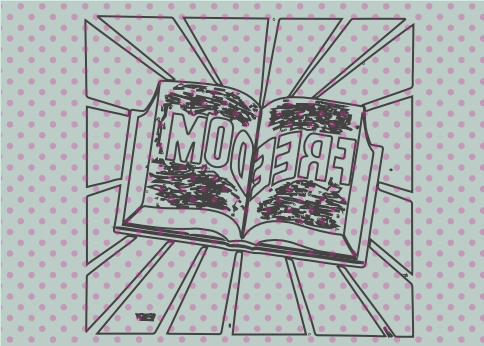

WHEN YOU ARE READY TO TRACE, THIS IS WHAT ORIGINAL AND TRACING PAPER MATERIALS WILL LOOK LIKE. THE **PENCIL** YOU TRACE WITH MUST BE AT LEAST **2B**, BUT **4B** IS BETTER. DON'T RUSH THIS STEP!

ART 70 PRINT EXERCISE

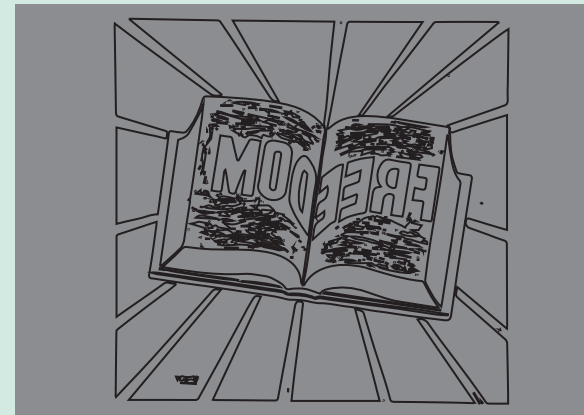

ONCE TRACED, THIS IS WHAT YOUR IMAGE WILL LOOK LIKE ON THE TRACING PAPER. EXAMINE THE PENCIL LINES. THEY NEED TO BE CLEAR, SOLID LINES. IF THEY ARE FAINT THEY WILL NOT TRANSFER. REDRAW ANY LINES YOU AREN'T SURE ABOUT.

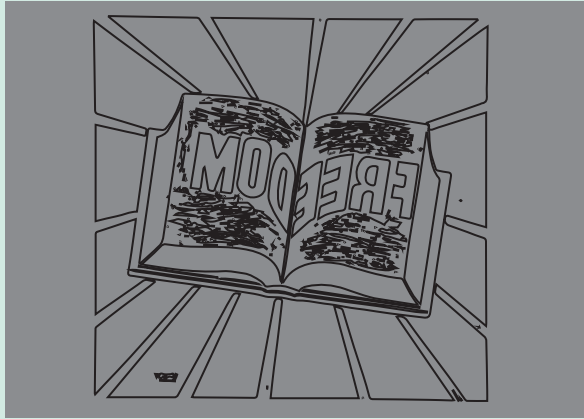

MAKE SURE THAT YOU TURN YOUR TRACING AROUND! THE **LETTERS MUST BE REVERSED** TO PRINT CORRECTLY. IF YOU MAKE THIS MISTAKE, ERASE YOUR TRACING AND START AGAIN. IF YOU NEED MORE TRACING PAPER, IT IS IN THE STUDIO, TO THE RIGHT ON THE PAPER TABLE.

ONCE YOUR TRACING IS SITUATED PROPERLY, DRAW OVER THE TRACED LINES. THIS WILL DEPOSIT THE GRAPHITE ON THE OTHER SIDE DIRECTLY ONTO THE BLOCK, GIVING YOU A GUIDE.

YOUR PREPARED BLOCK WILL LOOK LIKE THIS ONCE TRACING HAS BEEN DONE WELL. DON'T WORRY ABOUT HOW DARK THE LINES ARE, YOU ARE GOING TO CARVE THEM OUT.

ART 70 PRINT EXERCISE

IF THE IMAGE IS LEFT THIS WAY, WE WILL NOT USE THE WHOLE BLOCK, WHICH IS WHAT I WOULD LIKE YOU TO DO. **WE WILL EFFECT A SIMPLE ALTERATION:** EXTEND THE RADIATING LINES TOWARDS THE EDGE OF THE BLOCK.

MAKE SURE THAT YOU LEAVE A SMALL FRAME AROUND THE EDGE TO HELP WITH THE RIGIDITY OF THE BLOCK.

YOUR CARVED, PRINT READ-BLOCK WILL LOOK LIKE THIS. BRING IT WITH YOU NEXT WEEK!
